

Society for Integrative Oncology

A new, worldwide organization of oncology professionals studying and integrating effective complementary therapies in cancer care

1st International Conference

Marriott Marquis Times Square

November 17 - 19, 2004

The Society for Integrative Oncology (SIO) invites you to submit an abstract electronically for a platform or poster presentation at its 1st International Conference, November 17-19, 2004.

Abstracts may be submitted on the following topics:

- Complementary Therapies for Common Physical Symptoms
- Complementary Therapies for Common Emotional Symptoms
- Botanicals in the Treatment of Cancer
- Botanicals in the Treatment of Cancer-Related Symptoms
- Phytoestrogens and Antioxidants
- Complementary Therapies for Breast, Prostate, GI, and Lung Cancer

Abstracts may be submitted through the SIO website, www.integrativeonc.com (click "Abstract submission") March 1, 2004 through June 1, 2004. Submitters receive decision notification by July 15, 2004.

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of American Cancer Society and Society for Integrative Oncology. The American Cancer Society is accredited by the ACCME to provide continuing medical education for physicians.
